

Get help choosing and enrolling in Medicare coverage from

VIA BENEFITS™

Ben E. Keith has partnered with the Via Benefits team to make sure our pre-Medicare and Medicare-eligible retirees have access to the nation's largest Medicare marketplace and:

Personalized, step-by-step guidance

Via's easy-to-use online tools and care team help you understand your options and select the coverage that fits your needs.

Knowledgeable assistance

Via specializes in Medicare, and their care team goes through annual training and certification. They're available to help you and your family make an informed and confident decision.

Quality plan options

Via works with leading national and regional insurance carriers to ensure you can choose from quality individual and family plans available in your area. Because Via offers a range of options, you may find better coverage than you have now, at a lower cost.
